

BRUSH OFF®

Makeup brushes should be cleaned regularly to avoid bacteria growth and to prevent buildup.

BRUSH OFF, applied by a pump spray, offers an effective and convenient solution for those with limited time.

- Cleans, conditions and renews
- Dries in moments
- Recommended for natural and synthetic bristles
- Economic size to refill pump sprayers or your own
- Approximately 800 applications

DIRECTIONS: Simply spray lightly onto your makeup brush. Use a tissue and brush it off. Repeat as needed.

SPRAY ON BRUSH OFF DRIES FAST

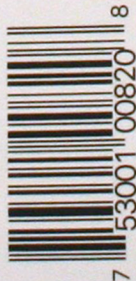

CAUTION: **BRUSH OFF**® was designed and tested specifically for a pump spray application. Do not dip brushes into solution.

WARNING: Flammable. Keep away from flame and fire.
KEEP OUT OF REACH OF CHILDREN.

Made for
Brush Off, Inc.
2 New Venture Dr, Unit 1,
South Dennis, MA 02660
